EBS Student Supplies 2015-2016

Dear EBS Families,

Student Supplies

As you may know, the majority of the school supplies are purchased in bulk each year by the school and distributed on the first day of school. Fees covering these costs have already been collected. As well, classroom teachers also request items specific to their class to be brought on the first day of school, **Tuesday September 8**. Please see below.

Spirit Wear:

There will be a used spirit wear sale for the elementary students during the first week of school in the elementary hallway. Ordering new items for the elementary school begins July 17 and will be available on the first day of school. The first spirit wear order for the middle school is September 17. There will be several other opportunities throughout the school year to place orders as noted on the school website, <http://www.steamschool.ca/calendar-of-events>.
